In preparation for the start of the State League competition Netball NSW invites all coaches and umpires to attend a State League meeting on the 20 February 2013. The meeting is aimed at creating an open communication network between umpires and coaches of the DOOLEYS State League Competition.

Date: Wednesday 20th February 2013

Time: 6:30pm for a 7:00pm start

Venue: Anne Clark Centre

Topics:

Communication:

NNSW Swifts Head Coach Lisa Beehag will be addressing communication between umpires, players & coaches. Lisa has a wide range of coaching and player knowledge both nationally and internationally and we are privileged to have Lisa share her extensive knowledge.

Sport Psychology:

Are you mentally and emotionally prepared for the State League season? Listen to the advice of the expert! Karen Haddad (MAPS) has been working with NSWIS athletes, coaches and parents as a sport psychologist for several years. Additionally she has been involved in research projects at NSWIS and psychological profiling. It is an excellent opportunity for you to share her knowledge.

Social Media Issues:

Our vibrant 'Media Team' will be speaking about social media issues - specifically Facebook/twitter/youtube/web/email and providing coaches and umpires with a simple list of the do's and don'ts. Rest assured, with the world of social media changing so rapidly there'll be something new for everyone. This will also be a great opportunity for you to ask lots questions to ensure that you have the tools for a hassle-free season.
